

TON RoadMap Piece

"\$ALWIN Airdrop" MEME Token

Phase 1 : Create "\$ALWIN Airdrop" Token with \$ALWIN ticker, Website (under construction it arrives very quickly !) and a Set of PDF Documents.

Phase 2 : List \$ALWIN on DeDust.io.

Phase 3 : After listing on Dedust.io, Promote \$ALWIN on Telegram and DeDust.io to ensure Our Token appears in the Top Gross Token of the day to drive some significant Traffic and Trading volume.

Phase 4 : After reaching 1M\$ Volume, Research for a Market Maker to ensure Liquidity and Stability of Our Token on DeDust.io.

Phase 5 : After reaching 10M\$ Market Cap, Time will come to List on a CEX.

Phase 6 : To Be Continu...

Mid/Long Term : When the Community has shown its interest in the project and is sufficiently developed, a Company will be created representing \$ALWIN and its Community, which will allow the development of any type of business (Marketing, Merchandising, ...) allowing part of the net profits to be used for feed the \$ALWIN Creator Wallet and thus continue to distribute Infinitely.

Brotha and Systa more will come, many idea are cooking !!!

To my Beloved \$ALWIN Community

Foggy The Golden Swalt

The goal behind everything is to create a virtuous circle (a group, money, humanitarian) for our community, we must also understand that any project/investment takes time to develop, that's why Please \$ALWIN Community, I ask you to be patient, resilient and understand that everything will not happen in one day. \$ALWIN your dear devoted friend. Together we can do Great Things !
